{ 1975 }

[Dmaj7] How sweet (C#m7) it [Bm7] is to be [E⁽¹¹⁾] loved by [A] you
 [Dmaj7] How sweet (C#m7) it [Bm7] is to be [E⁽¹¹⁾] loved by [A] you [A] // [Bm7] //

[A] I needed the shelter of [F#m] someone's arms [E7] and there (D#7) you [D7] were
 [A] I needed someone to [F#m] understand my ups and downs
 [E7] And there (D#7) you [D7] were
 [A] With sweet love and de[D7]-votion
 [F#m] Deeply touching my e[D7]-motion
 I want to [A] stop and thank you [D7] baby
 I just want to <A> stop <A> and thank you [D7] baby

(A7) (Bb7) (B7) (C7)

[Dmaj7] How sweet (C#m7) it [Bm7] is to be [E⁽¹¹⁾] loved by [A] you
 [Dmaj7] How sweet (C#m7) it [Bm7] is to be [E⁽¹¹⁾] loved by [A] you [A] // [Bm7] //

[A] I close my eyes at [F#m] night,
 [E7] wondering where would I be (D#7) without [D7] you in my life
 [A] Everything I did was [F#m] just a bore,
 [E7] Everywhere I went it seems (D#7) I'd [D7] been there before
 But [A] you brightened up for me [D7] all of my days
 [F#m] With a love so sweet in [D7] so many ways
 I want to [A] stop and thank you [D7] baby
 I just want to <A> stop <A> and thank you [D7] baby

(A7) (Bb7) (B7) (C7)

 I want to [A] stop and thank you [D7] baby
 I just want to <A> stop <A> and thank you [D7] baby
