

Twentytwo (by Sunflower Bean) {2018}

<C> Independent, that's <Bb> how you view your-<F>-self
 Now that you're <Dm7> twentytwo, twenty-two
 <C> If I could do it, I would <Bb> stay-ay young for <F> you
 We could <Dm7> live inside a place where we'd <G7> never have to face
 All the <Dm7> people who disgrace us and <G7> make us hide our face [G7] [G7]

[C] Busted and used, that's [Bb] how you view your [F] girl
 Now that she's [Dm7] twentytwo, twenty-two
 [C] If I could do it, I would [Bb] stay-ay young for [F] you
 We could [Dm7] live inside a place where we'd [G7] never have to face
 All the [Dm7] people who disgrace us and [G7] make us hide our face

[C] If I could do it, I would [Bb] fly into the [F] sun
 I would [Dm7] become war-ar-arm
 [C] And I meant it when I said [Bb] you're my favourite [F] son
 With your [Dm7] finger that is reaching for the [G7] trigger of the gun
 And you [Dm7] know you've got to prove it to your-[G7]-self and ev-ery-one

[C] I do not go qui-[Dm]-etly into the night that [F] calls me
 Even [Dm] when I'm alo-[C]-one [C]
 [C] I do not go qui-[Dm]-etly into the night that [F] calls me
 Even [Dm] when I'm alo-[C]-one [C]

[C] If I could do it, I would [Bb] take her in my [F] arms
 I would [Dm7] unwrong all his wron-on-ons
 [C] I could stay .. here and [Bb] write a thousand [F] songs
 Just to [Dm7] show her that the stars .. still come [G7] out behind the fog
 There's a [Dm7] light on in the lighthouse you can [G7] see it in the dark

[C] I do not go qui-[Dm]-etly into the night that [F] calls me
 Even [Dm] when I'm alo-[C]-one [C]
 [C] I do not go qui-[Dm]-etly into the night that [F] calls me
 Even [Dm] when I'm alo-[C]-one [C]

[C] [C] [Dm] [Dm] [F] [F] [C] [C]
 [C] Ooo, [C] ooo, ooo, [Dm] ooo, [Dm] oo-oo, oo-oo-oo-oo
 [F] oo-oo, [F] oo-oo, oo-oo-oo-oo [C] oo-oo-oo [C]

<C> I do not go qui-<Dm>-etly into the night that <F> calls me
 Even <Dm> when I'm alo-[C]-one [C]
 [C] I do not go qui-[Dm]-etly into the night that [F] calls me
 Even [Dm] when I'm alo-[C]-one [C]
 [C] I do not go qui-[Dm]-etly into the night that [F] calls me
 No, [Dm] no, no, no, [C] no [C] <C>
