

A Perfect Miracle (by Spiritualized) {2018}

Intro : [C] // [Em] // [F] // [G] // (x2)

I'd [C] like to sit around and [Em] dream you up a perfect [F] miracle [G]
 I'd [C] part the clouds and have the [Em] sun proudly [F] shining on [G] you
 I'd [C] take the stars as well and [Em] line them up to spell [F] "Darling, I [G] love you"
 And [C] little by little [Em] watch it all come [F] true [G]

I'd [C] like to sit around and [Em] dream you up a perfect [F] miracle [G]
 I'd [C] catch the wind and have it [Em] blow all my [F] kisses to [G] you
 I'll [C] take the birds and teach them [Em] all the words of every [F] love song I [G] know
 And I'd [C] have them fly around and [Em] sing them all to [F] you [G]

[C] Darling, you [Em] know, I'm [F] sorry [G]
 I [C] won't get to [Em] see you to-[F]-day [G]
 My [C] mind is a [Em] mess and I'm [F] needing you [G] less
 [C] Give me a [Em] call in a [F] little while [G]

I'd [C] like to sit around and [Em] dream you up a perfect [F] miracle [G]
 'Cause [C] every time I close my [Em] eyes, I'm just [F] dreaming of [G] you
 There [C] ain't a man around could [Em] knock me off my cloud 'cause [F] darling, I [G] love you
 And [C] little by little [Em] watch it all come [F] true [G]

[C] Darling, you [Em] know, I'm [F] sorry [G]
 I [C] won't get to [Em] see you this [F] week [G]
 [C] Lately I've [Em] found I don't [F] need you a-[G]-round
 I [C] don't think it's [Em] working out [F] anyway, [G] anyway, and

[C] // [Em] // [F] // [G] // (x4)

I'd [C] like to sit around and [Em] dream you up a perfect [F] miracle [G]
 'Cause [C] you're the only girl I [Em] ever met who's [F] honest and [G] true
 I'd [C] like to settle down with [Em] you and mess around a [F] house on the [G] hill
 And I'm [C] sitting here hoping [Em] it'll all come [F] true [G]
(Sitting here hoping it'll all come true)

I'd [C] like to sit around and [Em] dream you up a perfect
 [F] miracle [G]
 I'd [C] part the clouds and have the [Em] sun proudly
 [F] shining on [G] you
 I'd [C] take the stars as well and [Em] line them up to spell
 [F] "Darling, I [G] love you"
 And [C] little by little [Em] watch it all come
 [F] true, [G] anyway, and

*Darling, you know, I'm
 sorry
 I won't get to see you this
 spring
 My phone has been broke and I
 thought that we spoke
 Don't think it's working out
 anyway, anyway, and*

I'd [C] like to sit around and [Em] dream you up a perfect
 [F] miracle [G]
 I'd [C] catch the wind and have it [Em] blow all my
 [F] kisses to [G] you
 I'll [C] take the birds and teach them [Em] all the words of every
 [F] love song I [G] know
 And I'd [C] have them fly around and [Em] sing them all to
 [F] you, [G] a little while, and

*Darling, you know, I'm
 sorry
 I won't get to see you this
 year
 I hate to confess but I've
 changed my address
 I haven't been home in a
 little while, little while, and*

I'd [C] like to sit around and [Em] dream you up a perfect
 [F] miracle [G]
 I'd [C] like to tell the [Em] whole world I'm
 [F] crazy 'bout [G] you
 I [C] like you every second, [Em] every minute, every
 [F] hour of the [G] day
 But now I'm [C] sitting here going [Em] "When you gonna come
 [F] home?" [G] please, don't <C> call

*Darling, you know, I'm
 sorry
 I won't get to see you
 a-gain
 I met some-one else you should
 do it your-self
 So, Darling, please don't
 call, please don't call*
